

Orca Red Ventoux Marrenon

MARRENON is, first and foremost, more than 40 years of human adventure shared by 1200 wine-growers united into co-operatives and today working in a vineyard of 7600 hectares in the Luberon and the Ventoux regions. The vineyard is located in the heart of the State Park of Luberon. Therefore, all the farming is done in a sustainable way and special programs to preserve the bio-diversity are put in place. "Silence" is a plot selection to produce high quality thirst quenching roses in the classic Provence style.

Grenache noir 90% (mainly 100 years old)- Syrah 10%.

Soil : Pebbly, granular and clayey plots selected on the Southern hillsides of the Mont Ventoux(28hl/ha). Late area with a big temperature difference between day and night.

Grenache grapes are harvested very late in mid-October. Alcoholic fermentation at controlled temperature. Long vatting between 20 and 30 days. Soft extractions. Free-run juice only.

One year ageing in French oak barrels from 1 to 4 years old (only 10% of new barrels).

A powerful and fine wine. Mature nose with mild tobacco and morelloflavours. In mouth, rich attack of ripe fruits, livened up by little fresh fruits liqueur (blackcurrant/raspberry) aromas. The melting oak tannins come all along with the wine in mouth. Fresh, complex (garrigue, coffee-roasting) and with a very long finish.

Great wine with a nice ageing potential. To drink at 63°F with duck breast, roasted shoulder of lamb or stewed game. To put in decanter 3 hours before tasting.

2016 92 Decanter
